## OGDEN LOSES FIRST GAME

**Miners Defeat the Locals in Very Loose Fielded Game—Fowler Pitches Good Game But Has Poor Support—Score 7 to 5**

By their effective stick work, Butte took the opening game of the league season from Ogden yesterday afternoon at Glenwood park by the score of 7 to 5. The game was a good one considered as an opening game and the result was a matter of doubt until the last inning. A feature of the day was the splendid enthusiasm demonstrated by the crowd of 1200 fans who occupied the grand stand and bleachers.

Fowler and Perkins did the battery honors for Ogden while Kellogg and Shannon did the throwing and receiving for Butte. Both pitchers were in good form and pitched splendid ball. Kellogg struck out ten men to Fowler's five but he walked five men to the one man passed by Fowler. Butte made their first point in the first inning. Demaggio got to first on a short fly to left and Turgeon the next man up fanned. Demaggio was tagged at second and with two men out Levy whanged one to left field for two sacks. Whaling batted out a long one over center field for two scoring Levy.

Three more runs were made in the fourth. Orie, the first up got to first on a hit as did likewise Buddy. Orie scored from second when Marshall spoiled a put out at first by bunting into Laird and spilling the ball. After Shannon had fouled to Perkins, Kellogg scored Duddy on a hit over second. Marshall romped home on a sacrifice fly by Demaggio. Shannon, Duddy and Marshall were responsible for another run in the eighth. Two more were made in the ninth by the batting of Kellogg, Demaggio, Turgeon and Levy.

Ogden got the first two in the fourth when Murray scored Wessler and Kellogg.

Hays on a two bagger past third base and one more in the third when Levy booted a hot drive by Wessler. The last two were made in the ninth when Laird hit for three bags to right field and Moorehead came up with another hit to right, scoring Van who had replaced Laird on third. Foster scored Moorehead on a two-base hit to center field.

In the ninth inning Laird would undoubtedly have made a home run on his long drive to right center had it not been for his knee, which was injured when Marshall bumped into him. As it was, he did remarkably well in getting to third.

Many of the fans began to leave at the end of the eighth, and the sight went up that all was over when in the ninth Murray fanned at three and Moore, who batted for Fowler, hit a high fly to Marshall. Laird then stepped to the plate and swatted his three-bagger with Moorehead following with a good hit that scored a run. The third long hit was made by Foster to the center field fence, scoring Moorehead. Knight sent in Remington to bat for Jones, but the big fellow was unable to connect.

Wessler proved to be a popular idol and was greeted with applause when he stepped to the plate. He repaid the applause by sending a hot one down the third base line for two bags in the second inning and scoring later on a drive by Murray. At his next time up he batted in Foster when he knocked a hot one through Levy's hands.

Perkins played a good game as backstop and threw to second in such shape that only one successful steal was pulled off. His catch of a high foul against the grandstand was sensational.

The only errors made by Ogden were excusable. The wind was responsible for the fly missed by Foster and Hays did well in putting his mitt on the fast and close one thrown to him by Foster. Laird dropped a ball on first only after he had been bowled over by Marshall.

Manager Art Merkle was exceedingly pleased at winning his first game as a professional man. He has gathered a fast bunch around him and will show the other managers a thing or two. The infield is remarkably fast and the outfielders get everything that comes near them.

## ATTELL-ZOTTE BOUT A DRAW

## SALT LAKERS WIN OPENER

**M'Closkey's Youngsters Surprise the Electrics By Walking Away From Them—Get Two Home Runs and Four Two-Baggers**

Salt Lake, April 30.—Salt Lake took the opening game with Great Falls here yesterday by a score of 10 to 6. Really the game wasn't much of an exhibition of the national pastime. The feature of the afternoon was Salt Lake's hitting. Four two-baggers and two home runs were Salt Lake's bit in the extra base column. Both the home runs came when men were on.

Huelsman got the first in the opening canto when Murphy was perched on second at the result of Hester's miff of his hard fly. This was the only error the Great Falls team made. Rubie Hildebrand on the mound for the Electrics shot the first one over, waist high, and Hippo swung.

Was Record Drive.  
In the opinion of the writer it was the ongest and hardest hit ball that has ever been seen on the lot at Eighth South and Main. The pill did not get high enough for the wind to aid it, but when it went over the left center fence it was clear by thirty feet. Pendleton's four-py awat occurred in the sixth, when Dressan and Davis were perched on first and second.

In all the Skyrapers garnered 13 hits off the star of the Electrics' pitching staff, while Morgan allowed eleven. Five of these came in the last two innings, when Bill was letting down. Hildebrand was wild, allowing seven passes.

Salt Lake made six errors, four of them in the outfield, but three of them were due to the wind which carried the ball.

The game this afternoon will be called at 3 o'clock. The batteries probably will be: Salt Lake, Hummel and Stripp; Great Falls, Williams and Weaver. Score by Innings

CONSIDER COBB REINSTATEMENT

Chicago, April 30.—Members of the National Baseball commission are scheduled to meet here today. Consideration of Ty Cobb's formal application for reinstatement and a decision as to whether he is to be disciplined for his failure to report to the Detroit club this spring, is one of the matters on the program.

## GIANTS SHUT DODGERS OUT

Brooklyn, N. Y., April 29.—New York defeated Brooklyn 6 to 0 today after Mathewson, the great right hander, and Rucker, star among left hand pitchers, had fought the battle of their lives for 12 runless innings. The Giants made a whirlwind finish in the thirteenth and won by a batting rally that yielded six runs. For seven innings Rucker pitched no-hit ball. Sha-

## RED'S HOODOO IS BORROWED SOX

Chicago, April 29.—The Cincinnati National league team, appearing on the field for the first time in history without red stockings, was defeated by Chicago today 7 to 2. Instead of the famous hose which gave the club its sobriquet of "Reds," Manager Tinker's men wore the pale stockings of the Chicago White Sox, lent by Owner Comiskey with complete outfit of uniforms, gloves, bats and shoes, the Cincinnati team's uniforms having been accidentally lost at St. Louis. Misfit shoes and in some cases tight socks were unable to stoop low enough to stop grounders and other could not run fast enough to catch flies. The locals bunched hits with this poor fielding and won easily.

When the lack of uniforms was reported to Manager Tinker upon the arrival of the club from St. Louis, he requested a loan from President Murphy of the local club, but there was some difficulty about compliance and Tinker called on Mr. Comiskey. Score by Innings:

## TY COBB PLAYS HIS FIRST GAME

Detroit, April 29.—Chicago defeated Detroit 6 to 5 today in a hard fought twelve inning game that was full of thrills from start to finish. Ty Cobb, playing his first game of the year, received an ovation when he stepped to the plate in the first inning, but failed to produce the hit that would have scored Crawford, who singled before him. In the third the Georgian hit safely, driving in a run, but in the eighth, with two on bases, he rolled weakly to the pitcher for an easy out. Cobb seemed to have his old-time speed. In the eleventh he went from first to third while Weaver threw out Gainer at the initial sack. His two fielding chances were not difficult.

The White Sox filled the bases in the first with none out, on a single, a pass and Gainer's error. Hall then walked Borton, forcing in Rath. Lord came in a moment later on an out. The Tigers tied the score in the third on Bush's single. Crawford's triple and Cobb's single. In the fourth Schaller walked, stole second and scored on Weaver's single. Chicago took an other in the sixth on singles by Borton and Schaller, with Easterly's sacrifice bunt.

Detroit tied the score in the eighth. Bush walked, Vitt and Crawford hit safely. Russell then replaced White and made a wild pitch on which Bush reached home. Veach's sacrifice fly scored Vitt. Three singles and a pass gave Chicago two runs and the game in the twelfth. Detroit failing one short in the final half, although Hugh and Vitt hit safely. Score by Innings:

fer, who got a base on balls in the opening inning, being the only New York player to reach first. Murray, first up in the eighth, made the initial hit and was caught stealing. Mathewson also opened the ninth with a single, only to be forced out. Shafer got the third New York hit in the 12th and was caught stealing. Mathewson was hit more freely, but every time Brooklyn started a rally a fast double play stopped them.  
Doyle opened the thirteenth with a double and Murray followed with a safe infield tap. A double and three singles followed quickly and with four runs and six hits counted, Rucker was relieved. Two outs and a hit off Stack brought the total up to six runs. Score by Innings:

## DUNDEE IS GIVEN DRAW

Los Angeles, April 29.—Johnny Dundee was given a draw at the end of his twenty-round fight tonight with Johnny Kilbane, the featherweight champion. Kilbane apparently overpowered the challenger in every round, but the Italian's desperate twentieth round finish in the opinion of Referee Eytan earned him a draw. The decision was unpopular and the crowd voiced its disapproval.

Throughout the fight, Kilbane out-boxed Dundee. The New Yorker's method of jumping in the air and trying to land on his adversary, provoked only the laughter of the champion and solid blows to the body which met nearly every effort of the challenger to land in this fashion.  
At the end of the fight Kilbane bore only a slightly bruised mouth, while the Italian's features were badly battered. Kilbane was far too clever in eluding the swings of the champion.

In a riot outside the arena during the fight, a young man, as yet unidentified was probably fatally injured by being struck on the head with a rock. Several shots were fired by police after the crowd outside the arena had hurled stones at them.

BY W. W. NAUGHTON.  
Vernon Arena, Los Angeles, April 30.—Referee Eytan declared the twenty-round bout between Johnny Kilbane and Johnny Dundee a draw. This is to be presumed means that one-half the featherweight championship will remain in Cleveland and the other half go to New York to keep company with the America's cup.  
The bout between the two Johnnys was interesting in spots only. If they had used their hands half as much as they used their feet, it is just possible that a knockdown blow would have been in evidence at some time during the evening. Taking it all in all, the affair was an elegant argument in favor of those who hold that boxing has no brutal side. Happening as it did at this particular time, it is a pity that the members of the California legislature were not on hand to witness it.

Kilbane is all that has been claimed for him in the line of cleverness. But judging by tonight's work, heavy punching is not his specialty. There is this much to be said, of course, in Dundee he met one of the shiftest youngsters ever seen in the ring. Dundee may not be a good judge of distance, but he seems to know to a dot when anything dangerous is coming his way. By drawing back at the right moment he converted probably a half hundred right crosses into misses and half that number into glancing blows.

Kilbane's palpable object from first to last, in fact, was to end it all with a right snap. He feinted his opponent into leaving openings and whenever the moment seemed opportune Johnny's dexterous glove shot across like a flash. But quick as it came, the little New Yorker was equally quick in dodging it, and although Kilbane tried repeatedly the number of rights he landed could probably be counted on the fingers of one hand. Among them all there was only one solid enough and well timed enough to send Dundee back a pace and that was delivered very late in the fight.

In a riot outside the arena during the fight a young man as yet unidentified was probably fatally injured by being struck on the head with a rock. Several shots were fired by police after the crowd outside the arena had hurled stones at them.

## UTAH TO BE IN ATHLETIC UNION

New York, April 30.—The growth of track and field athletics in the west is related in glowing terms by Secretary James Sullivan, who has just returned from a trip to the Pacific coast. Sullivan will be director of the sports during the Panama exposition at San Francisco in 1915 and he expects it to be one of the greatest athletic meets in the history of American sport.

"They are making wonderful strides in athletics on the Pacific coast," he said. "In fact, they are more progressive there than we are in the east, and will produce better men in time. It was my good fortune to aid in the establishment of two new associations which will become affiliated with the A. A. U. These are the Rocky Mountain association, which will take in Colorado, New Mexico and Wyoming, and the Inter-mountain association, to be composed of Utah and Montana."

He said the A. A. U. national championships, which will probably be held in Chicago between June 28 and July 5, would bring together practically all the prominent athletes of the United States this year, as promoters of the plan to hold the meet in Chicago would probably pay the expenses of all athletes of championship calibre.
